

To arrive here via Hwy 101 South:

Exit at the **Highway 12, Sebastopol** exit and then drive directly through Sebastopol, remaining on the Highway 12/Bodega Highway to Furlong Road).

Once in Sebastopol go west through town. Travel past "The French Garden Restaurant" on the right. In less than 3 miles--you will pass "Bill's Farm Basket" on your left, Sexton Road, (several more roads till you arrive and **pass Tilton** Road, then immediately turn right onto FURLONG ROAD (all the roads are marked well-if you arrive at WAGNON Road, you have gone too far).

Proceed on Furlong the equivalent of about 2 to 3 blocks, the postbox numbers will be in the 400's, the road makes a SHARP left, but you go straight onto a one lane road, SANDRETTO DRIVE. Go up Sandretto to 501, it is on the RIGHT, there is a number sign on a tree.

Protocol on the one lane roads is to give way if you are coming DOWN a hill (because it is safer to back UP a hill than back DOWN), and take the right of way if you are coming UP the hill. Pull into a driveway or alcove to let the other car go past. Travel SLOWLY, there are speed bumps. Courtesy works best.

Drive up the hill to the gray house with the yellow door. **Park to your left in the alcove near the bamboo fence—or in front of the garage door, next to the entrance ramp.** Please leave the under deck parking to the right of the garage freely accessible to the tenant. If you have more than 2 cars please park other cars in the parking area at the front of the property.

I will meet you there to show you around!

If you approach us from **Highway 1, go through Bodega Bay** and turn left onto the Bodega Highway toward Sebastopol. Continue toward Sebastopol, pass Wagon Road, turn left onto **FURLONG ROAD**, and follow the directions above.

Sara

Look for the number on the tree to your right:
